STATEMENT OF SHERRY L. HUNT

I, SHERRY L. HUNT, declare as follows:

I am an employee of the law firm of FISH & RICHARDSON P.C. and have been a patent law secretary for 15 years.

On December 30, 2002, I signed the certificate of mailing stamped directly on the correspondence entitled Response, which indicated that the correspondence and accompanying postcard and check were being deposited with the United States Postal Service on December 30, 2002. I made photocopies for the file, sealed the originals in a special envelope preprinted with the address of the Assistant Commissioner of Patents, and left the envelope in one of the designated "pick-up stations".

Knowing the procedures for outgoing mail and my own experience with them, I had reasonable basis to expect that the correspondence would be deposited with the United States Postal Service on the date indicated.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States
